NEW STORE HOURS: Mon-Sat 10AM - 5PM, Sun 10AM - 4PM

Cory knit cape and elegant earrings define the woman's simple, go-as-you-are style, with a touch of glamour. Cape from Cory's Corner, pants and earrings from Herb Plummer, shoes from Coplon's.

The ultimate mix-up: a big collection of textures and a streamlined look show off this fall's wedge heels. Coat, sweater, skirt, shoes from Cory's Corner.

The second time around —

At consignment shops you can find high end, fashionable items with a big advantage: they are a fraction of normal retail prices. It's a good alternative to thrift store shopping, where you have to wade through mountains of used clothes that are often kitsch or shabby. Often, consignment goods haven't been worn much, if at all, so no one can tell you're not the original owner. This year, look for: classic styles in clothing for layering, different textured fabrics, exotic and bold features in jewelry, wide belts, ankle boots with a spiky heel, and pumps with wedge heels.
